

2022-2023 Education Protection Account (EPA) Spending Plan

Proposition 30, *The Schools and Local Public Safety Protection Act of 2012*, approved by the voters on November 6, 2012, temporarily increases the states sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayers.

The revenues generated from Proposition 30 are deposited into a state account called the Education Protection Account (EPA). Alameda Unified School District will receive funds from the EPA based on the District's proportionate share of the statewide revenue limit amount. The State of California will make a corresponding reduction to Alameda Unified's Local Control Funding (LCFF) entitlement. Alameda Unified will receive quarterly EPA payments during the 2022-2023 Fiscal Year.

Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the EPA funds are spent, but with these provisions:

- The spending plan must be approved by the governing board during a public meeting
- EPA funds cannot be used for the salaries or benefits of administrators or any other administrative costs.
- Refer to the attached list of functions for which EPA funds may be used.
- Each year, the local agency must publish on its website an accounting of how much money was received from the EPA and how the funds were expended.

Alameda Unified School District estimated 2022-2023 EPA Entitlement

\$8,141,634

It is proposed that EPA funds be used to cover salary and benefit costs of non-administrative certificated staff.
