School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019—20)

Bay Farm is committed to being the heart of our community bridging home and school.

We provide a collaborative and inclusive environment where everyone values cultural and learning differences.

Students enjoy the pursuit of personal and academic excellence as they become confident and compassionate citizens of our local and global communities.

Bay Farm School is fully committed to being the heart of our community, bridging home and school. Between our knowledge-thirsty students, hardworking teachers, and involved PTA, we have truly created a community that honors learning. Differences are valued and students are challenged to do their personal best as they strive for academic excellence and community involvement. As we moved forward with our 21st Century learning plan this year, we are in the constant process of updating our technology by adding more one-to-one devices and training our teachers in ways to use them. These upgrades enable teachers to apply the latest instructional strategies in their classroom. Additionally, we are creating project-based lessons and implementing strategies to empower our students with inquiry skills. Together these changes will enable our students to meet and exceed the expectations of the Common Core Standards and 21st Century skills. Additionally, Bay Farm School was recognized as a National Green Ribbon School in 2016 for its continued excellence in providing recycling and outdoor education programs. Bay Farm School was also recognized in 2018 as a California Distinguished School. Through its ongoing partnerships with organizations like Stopwaste.org, it continues to be on the home front of creating sustainable systems and environmental education. When Bay Farm School opened its doors in the 1992–1993 school year, it adopted the motto "that it takes a whole village to raise a child." Today, 25 years later, that hasn't changed. This tight-knit community rallies around the needs of its children even in tough economic times. The success of our students is our number-one concern.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)	81.0%	81.0%	66.0%	66.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	78.0%	77.0%	58.0%	58.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Bay Farm School benefits greatly from its supportive parents. The school has a strong base of parent volunteers who actively participate in the classrooms, as art docents, and in our outdoor learning center. Parents are encouraged to join the PTSA and are elected to the School Site Council. Parents of English Learners are vital to our English Language Advisory Committee and to our outreach efforts on behalf of new families. In addition, parents volunteer daily to help with supervision in the lunchroom and on the yard. If you would like to become a volunteer at Bay Farm School, please call the office at (510) 748-4010.

School Safety Plan (School Year 2019—20)

Safety of students and staff is a primary concern of Bay Farm Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school Site Safety Plan was last reviewed and updated in November 2019 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year. During the 2012-13 school year a School Safety Task Force was assembled and met over the course of several months. Their task was to give a critical look to the school and offer short term and longer term goals that could be implemented to improve overall safety. Findings were discussed at community, staff, and PTA meetings to determine where to best look for support. In the Spring and summer of 2015, the district began safety upgrades to Bay Farm with some of the money that was received from the bond that was passed in November of 2014. Certificated staff supervise students before, during, and after school. The principal and noon supervisors oversee students during lunch and parent volunteers help with lunch supervision every day. There is a designated student drop-off and pick-up spot at the front of the school. Additionally, all visitors are required to sign in at the office and get a visitor's badge upon arrival.
