Amelia Earhart Elementary School
## 2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Amelia Earhart School can be found on Bay Farm Island in Alameda. The community boasts an elaborate system of bike and walking trails, many of which are adjacent to lagoons and the beautiful San Francisco Bay. Parks, ball fields, community centers and a public library add to the small-town atmosphere and closeness of our community. Located on the east side of the Bay, near Oakland International Airport, we are reminded of our namesake and the tradition of setting and achieving high standards. Earhart is one of the largest elementary schools in Alameda. The school has grown from 300 students when opened in 1979 to nearly 550 students today. Our student body is ethnically diverse with over eight ethnic groups composing our school. All Earhart students are provided a balanced, comprehensive, standards-aligned curriculum and text books in all subject areas. The curriculum, tied to state and local standards, focuses on reading, writing and mathematics while emphasizing basic skills, problem solving, and critical and higher-order thinking skills. Teachers extend the curriculum to include science, social studies and the performing arts. Our Innovative Program, Math, Science, Technology, Engineering with the integration of Music supports and engages student in their learning. Grade level meetings and dedicated curriculum collaboration time maximize weekly early dismissal time and staff meeting time to discuss state standards, the standards-based report card, and to plan curriculum including: thematic units, differentiated instruction, and to design intervention strategies for struggling students. Earhart teachers firmly believe student achievement is directly related to the professional development in which they participate. The implementation and success of a standards-based curriculum requires a variety of research-based teaching methods. Ongoing teacher collaboration and the examination of student work is practiced by every teacher. Professional development, identified by staff, is aligned to the action plans in our SPSA and incorporates presentations by experts with extensive collaboration, curriculum development, collegial discussions and coaching. Our school community is our biggest ally in supporting all students in meeting and exceeding academic standards. Our families support our school because they understand what we do and share our expectations for all children. The entire community is committed to all students reaching and sustaining proficiency in preparation for future success.

The success of all students is the goal of the Earhart community, and the extent to which our staff, parents, community members, and students strive to achieve that success is inspiring. Enhancing our traditional program with extended learning opportunities in science and the arts is a commitment of our staff and PTA. Our curricular and enrichment programs provide a strong academic foundation, as well as learning opportunities that promote social and emotional development. The PTA partners with our principal and staff to provide enrichment activities that are integral to the development of our children as lifelong learners. As a community, we support our children through funding for science materials, technology and music instruments and performance enhancements. These combined efforts achieve our mission to provide educational excellence and a positive, safe learning environment for all students. It is the shared belief of the Earhart community that a lifelong love of

learning is the best legacy a school can give its students. During Amelia Earhart's lifetime, she faced the risk of flying with incredible courage. Our children are empowered to use their courage to soar to excellence each day.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and the community play a very important role at Amelia Earhart School. When able to parent volunteers work daily in the classrooms, in science lab, as Art Docents, with Motor Fitness and at lunch. Many school wide volunteer jobs are part of our partnership with our PTA. The PTA supports many enrichment programs at Earhart.
We also have many community groups at our school and apart of district families which families can bring their voices to as well as ELAC and SSC at our site.
For more information, please contact the school office at (510) 748-4003.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.01	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The school safety team meets regularly to discuss safety issues and to take steps to be proactive in preventing various types of school-related safety issues. Staff receives yearly training on safety procedures for different situations. Our children have learned about specific safety procedures and practice the procedures in monthly drills.

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2018-19 Elementary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

2020-21 Types of Services Funded

At Amelia Earhart School our goal is to support each child in meeting their potential. Extra student support is available in our special education Learning Lab for students with and IEP. Students with moderate to severe autism are served in a special day class with integration into general education classrooms. Students in Kindergarten and first grade receive additional support on an individual need basis in small group instruction provided by a credentialed teacher. Second through fifth grade students receive targeted instruction three times a week in small groups while other students go to PTA supported Book Club. Our students also benefit from our science program with a hands on lab each week and the committment of the classroom teachers to teach science daily in every classroom. Our EL students receive desinated and integrated ELD based on their language needs.

Professional Development

Teachers receive professional learning opportunities each year to improve their teaching skills and to extend their knowledge of the subjects they teach. The focus continues to be the implementation of the Common Core State Standards and NGSS in science as well as strategies and structures to support all students in meeting these new standards. Our district has taken the lead with this professional learning and continues to offer workshops for interested staff. This year, to continue to support Tier 1 instruction, SEL curriculum and the used of our adopted curriculum: Collaborative Classroom ELA program, and the Eureka math program. Teachers have been offered a variety of professional learning opportunities including group workshops, coaching and Lesson Study. Teacher leaders further support teachers at the site with new instructional strategies.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
